328	Mobile Labeling System	1	CTM mobile labeling system, model 360, s/n 360-2059-0311, with top and bottom pressure sensitive modular labeling heads, double motorized grabber belt, top & bottom modular touch controllers [LOC: Packaging]	
329	Metal Detector	1	Loma metal detector, model IQ2, s/n KIMD08639, 24" Aperture, 4" clearance above 21" wide x approx 80" long plastic interlocking belt, mobile base (R680) [LOC: Packaging]	
330	Mobile Transfer Conveyor	1	Best mobile transfer conveyor, s/n 1300283, (R485) [LOC: Packaging]	
331	Robotic Pick and Place Flex Palletizer	1	ABB robotic pick and place flex palletizer, model IRB640 M98, s/n 64Z10223, 475 volt, 8.3 KVA power rating, with Pick-N-Place Robotic Arm, Robotversion 8.8 KVA rated power supply, Tethered Handheld Operator Controller, Safety Screen Lockout Panels, floor based case/carton conveyor, 90 Degree product infeed conveyor and crossover bridge [1999] [LOC: Packaging]	
332	Robotic Palletizing Arm	1	ABB robotic palletizing arm, model IRB640 M98, s/n 64Z-10222, with power supply, unused since purchase (located in shipping area) [1999] [LOC: Packaging]	
333	Case Sealer	1	Lantech case sealer, s/n CS000044, Top and Bottom Case Taper with Flap Kicker and Roller Conveyor Discharge [LOC: Blue Room]	
334	Control Panel	1	Control Panel, 2-door stainless enclosure, with AB PanelView controller [LOC: Packaging]	
335	Mobile Transfer Conveyor	1	Mobile Transfer Conveyor, stainless frame, with Wood's E-Trac speed controller [LOC: Packaging]	
336	Metal Detector	1	Loma metal detector, model IQ2, 24" Aperture, 4" clearance above 20" wide x approx 80" long plastic interlocking belt, mobile base, and full slide reject bar (TWO) [LOC: Packaging]	
337	Rod Belt Transfer Conveyor	1	Rod Belt Transfer Conveyor, mobile base, approx 30' long, 24" stainless rod belt, leg stabilizers, plus additional 18' mobile segment with speed controller [LOC: Packaging]	
338	Case Sealer	1	3M-Matic case sealer, model 800A, s/n 6375, top and bottom tape heads, extended mobile steel frame with Hytrol gravity conveyor [LOC: Blue Room]	
339	Case Sealer	1	3M-Matic case sealer, model 800A, s/n 4313, top and bottom tape heads, mobile base with connecting skatewheel pack off conveyor [LOC: Packaging]	
340	Conveyor Loop	1	Conveyor Loop, Custom Serpentine Bypass Conveyor with 24" Wide Poly Belting including Swing Bypass Conveyor from Spiral Discharge Conveyor (R462) to Wrapper Collection Conveyor [LOC: Packaging]	
341	180 Degree Conveyor	1	180 Degree Conveyor, consisting of (4) 7.5" slat type conveyors (sits directly below bypass conveyor with connecting wrapper infeed alignment belt with pneumatic gate and interlocking poly belt conveyor [LOC: Packaging]	
342	Inclined Transfer Conveyor	1	Inclined Transfer Conveyor, Spiral Discharge Conveyor, approx 65' long with 24" wide plastic intelocking belt, S-Curve Segment to Spiral and ceiling suspensions [LOC: Packaging]	
343	Spiral Cooler	1	Liquid Carbonic spiral cooler, model Spiralveior, s/n SM35525, 20 tier Spiral with 24" Wide x approx 1212' ft long stainless rod belt, 4" Clearance between tiers, with Belt Washer, Side Mounted Fans, Stainless Steel Electrical Enclosure with Allen Bradley Controller. Available with Infeed and Discharge Conveyors within Room [1992] [LOC: Spiral Area B]	
344	90 Degree Conveyor	1	Best 90 degree conveyor, s/n 1300337, mobile stainless frame, with Genesis speed controller [LOC: Packaging]
